

Except as explained in the following Notes reservations should be made by individual boat owners. The marinas highlighted in yellow are the primary marinas for the relevant port. Where the last column of the table below shows dates as 'OK' those facilities have been contacted and are aware of our group visit for those dates.

Notes:

1. Please don't contact Sagamore YC (Oyster Bay), Harlem YC (City Island) or North Shore Yacht Club (Port Washington) for reservations as Joe Pucciarelli will handle group reservations. **Please fill out the enclosed form and return by 1/29/24.**
